October 3rd 4-7 PM  
102 NE 10th ave, Gainesville

The Gainesville Opportunity Center helps adults with mental illness re-integrate into the community by participating in meaningful work-related volunteer activities.

Staff works side-by-side with our members to build confidence and learn new skills. Our goal is to help people return to the work force.

Come join us to learn more about our role in mental health recovery and how you can help make a difference in the Gainesville Community.
