GOC WEEKLY GAZETTE

Construction Update

The Gainesville Opportunity Center is growing! We are expanding our space to include a larger, separate dining area, a separate office unit, and a larger kitchen. We hope to conclude construction by mid or end of July. After remodeling, we will have a joint open house and Amazing Give donor appreciate event. Stay tuned for exciting news for the rest of the summer!

Every week we will share a Clubhouse Standard. These standards come from The International Clubhouse Coalition. Are we meeting or exceeding these standards? Or do we need improvement? Members and staff will be discussing the weekly standard at each day's morning meeting.

Standard #26

The Clubhouse is located in an area where access to local transportation can be assured, both in terms of getting to and from the program and accessing transitional employment opportunities. The Clubhouse provides or arranges for effective alternatives whenever access to public transportation is limited.

Members have a **Right** to form meaningful relationships at the Clubhouse.

Members have a **Responsibility** to treat everyone with respect.
