GOC WEEKLY GAZETTE

GOC Open House: August 22, 2018 5-7pm

Our open house was a big success. We gave tours of the club to prospective members as well as community leaders and mental health practitioners. There was a charity raffle with prizes donated by local businesses. We hope that our new, expanded, and remodeled clubhouse will be able to accommodate more members and services. The community support for our clubhouse was more than we expected and we thank everyone that came out.

The mayor of Gainesville, Laura Poe came by to visit as well as several members of law enforcement who work with the mentally ill every day as part of their job. Clubhouses show that a work-ordered day can rebuild lives and help those with a mental health condition grow and feel useful. The GOC hopes to continue in our commitment to our members and its community.

GOC WEEKLY GAZETTE

Every week we share a Clubhouse Standard. These standards come from The International Clubhouse Coalition. Are we meeting or exceeding these standards? Or do we need improvement? Members and staff will be discussing the weekly standard at each day's morning meeting.

Standard #4

All members have equal access to every Clubhouse opportunity with no differentiation based on diagnosis or level of functioning.

Members have a **right** to a safe place to come.

Members will be treated with dignity and respect at the GOC.

Members have a **responsibility** to treat others how they wish to be treated.
