GOC WEEKLY GAZETTE

Director, staff, board members/members and members attended

The Sarasota trip was the first statewide conference of the Florida Clubhouse Coalition. The coalition is a statewide group of clubhouses that come together to lobby for mental health funding each year in Tallahassee. The clubhouses present were Vincent House, Charlotte's Place, Kate's Place, Key Clubhouse of South Florida, Hope Clubhouse of SW Florida, Academy at Glengary, and Gainesville Opportunity Center. The conference was hosted by the Academy at Glengary. They have a magnificent three million dollar brand new building with state of the art technology and a huge commercial kitchen. The purpose of this workshop was to share and enhance employment practices to help adults with mental illnesses get jobs.

Our very own Brett Buell made the first presentation. He discussed marketing and the many ways clubhouses can market themselves to potential members, donors, and the community. James Wineger, of Hope Clubhouse, gave the second presentation on Transitional Employment. This type of employment is crucial to getting accredited. It helps members prepare for supported and independent employment. Debra Webb, of Key Clubhouse of South Florida gave the third presentation on Supported Employment. Differences between SE and TE are: SE is not time limited; The position belongs to the member, not the clubhouse; They must go through a competitive interview process (they will be competing for a position rather than placed in one given to the clubhouse); Clubhouses can provide on-the-job training (OJT) and develop positions, but not coverage and there is an agreement that the clubhouse will support both the employer and the member; however, the employer will award the member the position based on the belief that the member can do the work. Stacy Hodge from Charlotte's Place did the fourth presentation on Independent Employment (IE). IE is joining the work force again on your own and having a regular job with no attachment to the clubhouse.

GOC WEEKLY GAZETTE

Every week we share a Clubhouse Standard. These standards come from The International Clubhouse Coalition. Are we meeting or exceeding these standards? Do we need improvement? Members and staff will discuss the weekly standard at each day's morning meeting.

Standard #9

Clubhouse staff is sufficient to engage the membership, yet few enough to make carrying out the responsibilities impossible without member involvement.

Members have a **Right** to a safe place to come.

Members will be treated with dignity and respect at the GOC.

Members have a **Responsibility** to treat others how they wish to be treated.
