# GOC WEEKLY GAZETTE

## Announcements:

**SANTA FE VISIT:** On April 19th from 1pm –2pm. Santa Fe Community College’s Ms. Julie Falt and Ms. Linde Musillo (Adult Ed Coordinators) will be visiting us from Santa Fe Community College. They will bring info regarding their programs including Nursing Assistant, Early Childhood Development, Horticulture, Improving Computer Skills, and Studying for the GED . Please don’t miss this opportunity!

**MEMBER NEEDED FOR CLUBHOUSE TRAINING TRIP:** We will be taking a trip to Gateway House, an international Clubhouse training center, in South Carolina for accreditation training. Members that would like to come are encouraged to apply. Members are essential to the Clubhouse as in a Clubhouse, members and staff work side by side. Having a member will be helpful because they can help the other members to actively participate in the work-ordered day. If you’re interested, please see Maggie. It will be two weeks long and

**CIT Training at GOC :** Police officers will be coming to the GOC April 15 for CIT Training. CIT stands for Crisis Intervention Team. This is a program that allows officers to receive training on how to interact with people in crisis from the community. Officers will hear from GOC members on what they should do when they respond to someone in crisis. Things that GOC members can explain include what works from police officers in these situations, what doesn’t work from police officers in these situations, and any needs that a person in crisis may have from a police officer. The training will be held at 1pm and 3pm Monday, and we would love for members to attend for the benefit of the members, the police officers, and the community as a whole. We hope to see you there!

# GOC WEEKLY GAZETTE

Every week we share a Clubhouse Standard. These standards come from The International Clubhouse Coalition. Are we meeting or exceeding these standards? Do we need improvement? Members and staff will discuss the weekly standard at each day's morning meeting.

## Standard #9

**Clubhouse staff is sufficient to engage the membership, yet few enough to make carrying out the responsibilities impossible without member involvement.**

*Members have a **Right** to a safe place to come.*

*Members will be treated with dignity and respect at the GOC.*

*Members have a **Responsibility** to treat others how they wish to be treated.*
