Mental Health Symposium

Thanks to everyone who participated in the First Annual Mental Health Symposium. It was wonderful to see the community come together and advocate for the people we are helping. It was informative, and we found out about all the services various organizations offer. It was great to see a lot of familiar faces.

GOC WEEKLY GAZETTE

Every week we share a Clubhouse Standard. These standards come from The International Clubhouse Coalition. Are we meeting or exceeding these standards? Do we need improvement? Members and staff will discuss the weekly standard at each day's morning meeting.

Standard #17

The Clubhouse is open at least five days a week. The work-ordered day parallels typical working hours

Members have a **Right** to a safe place to come.

Members will be treated with dignity and respect at the GOC.

Members have a **Responsibility** to treat others how they wish to be treated.
