GOC Travels to Groundbreaking

By Susan T.

The GOC had an exciting road trip this week!!! On June 24th, I, Brett, Jon and Jerry went to the groundbreaking ceremony for the new Clubhouse, St. Vincent house, opening in Pasco County. We saw Stephanie, one of our former employees at the groundbreaking, which was a pleasant surprise! Stephanie works at Vincent House in Pinellas Park.

They had a variety of speakers. I enjoyed hearing personal testimonies from members and community officials. The community really supported this Clubhouse. The sheriff, the electric company as well as other nearby Clubhouses and other community officials were there to show support. The member's testimony is what really touched me. It was a Vincent House Member who went from living on his parents couch to graduating college and becoming a city manager. It just goes to show you the difference a Clubhouse can make in a person's life.

Job Readiness Every Thursday

We are constantly adding new things to our calendar. GOC Board Member Shoab Rana will be volunteering to help people with employment issues every Thursday starting July 11 at 10am. The ever friendly available Shoab guides members by helping them through the sometimes difficult path to join the workforce. Shoab shows individual members and groups the ins and outs of CareerSource and how a member can portray themselves in the best light. This includes help with resumes, job hunting technique, along with valuable information on posting a resume and replying to specific posts.

GOC WEEKLY GAZETTE

Every week we share a Clubhouse Standard. These standards come from The International Clubhouse Coalition. Are we meeting or exceeding these standards? Do we need improvement? Members and staff will discuss the weekly standard at each day's morning meeting.

Standard #21

The Clubhouse enables its members to return to paid work through the Transitional Employment, Supported Employment and Independent Employment; therefore, the Clubhouse does not provide employment to members through in-house businesses, segregated Clubhouse enterprises or sheltered workshops.

*Members have a **Right** to a safe place to come.*

Members will be treated with dignity and respect at the GOC.

*Members have a **Responsibility** to treat others how they wish to be treated.*
